

*A statement  
of style*

Exclusive both in name and in design, this collection combines the warm tones of natural wood with the transparent qualities of glass to create a style which is quite unique. Choose from panel legs in two tone metal or metal and wood, and from desktops with a superb wood veneer finish or in frosted or smoked grey glass.

**Exclusive Prestige**

Designed to bring out the warm tones of natural wood.

31 mm thick desktops covered in a cherry veneer. Legs with metallic side panels in mouse grey to create a two tone metal finish, or with cherry veneer side panels to reaffirm the wood effect – Prestige wood.

Legs with built-in cable management facility

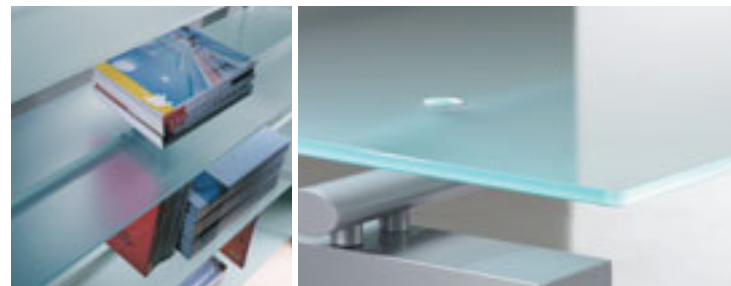

Entry and exit points on both sides of the leg

**Exclusive Diamond**  
Transparent glass in a clear frosted or smoked grey finish allows the user to fully appreciate the perfect lines of the metal support structure.

*A jewel of contemporary glass furniture design*
