Fabrics

& Options

Fabrics

Please contact our Sales Office for prices on all other fabrics and leathers not specified here.

COM

We cannot accept any liability for a fabric after it has been upholstered, but are willing to offer advice to suitability.

Leather

As leather is a natural skin, there will be individual grains, natural skin markings and shade variations. These markings are features of the skin and are not faults.

Dimensions

Standards & Mechanisms

Dimensions

The following dimensions are available for all of our seating:

Back Height, Seat Height, Seat Depth, Overall Depth, Overall Width & Back Width.

Floor to Arm Height has also been included on all visitors and leg chairs. All dimensions are measured in millimetres and are approximate. Please contact our sales office for any further information or dimensions.

Standards

All seating manufactured by Pledge Office Chairs is manufactured to conform to all relevant British and European standards.

"The company is committed to continual improvement of its environmental performance. Our policy is to meet and where practical, exceed all relevant regulatory requirements and to manage the Company's activities in ways which keep environmental impact to a practicable minimum."

All products are covered by a 5 year guarantee. Please see terms and conditions for full details. Gas pistons support 150kgs.
