Pro Furniture

- Desk height : 72 cm.
- A large choice of high quality desktops :
 - 25 mm thick, covered in hard-wearing, non-reflective HPC.
 - Straight edges protected by 3 mm thick strips of impact-resistant ABS.
 - Available in 6 choices of finish.
- Innovative, designer legs :
 - Elegant and original "arched" metallic legs of oval section, available in fixed or height-adjustable (from 62 to 86 cm) versions.
 - Shared legs for multiple desk configurations.
 - Stabilizer feet, adjustable through 15 mm.
- Structure :
 - Central sheet steel support beam of open-sided design; desk stability guaranteed.
 - Optional : metallic modesty panel.
- Cable management :
 - Horizontal : within the open-sided beam. Optional : articulated PVC cable troughs with 2 compartments for individual desks ; double capacity metallic cable troughs for face-to-face desks. Both types of cable trough will carry trailing sockets as well as wiring.
 - Vertical : in the form of optional articulated vertebral cable holders.

"X" shaped beam with cable management facility.

Optional plastic cable trough - attachable by screws to the underside of the desktop.

Optional horizontal cable trough for use with face-to-face desk configurations.

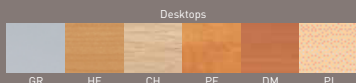

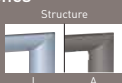

Articulated vertebral cable holder.

Height-adjustable legs (from 62 to 86 cm).
