

bench systems

The latest desking solution, the bench system provides a large expanse of workspace with a continuous, uninterrupted surface area. A great idea with flexibility built in for larger teams that need to work together.

Benches are 800mm x 740mm high and are available in a wide range of widths from 1m to 2m. Bench tops slide forward for easy access to the cable management system.

Our bench systems have a sturdy steel frame and come in striking silver, black, grey or white finish options.

Our bench systems are available with an innovative cable management system and a choice of screening options (see overleaf).

Bench tops are 25mm thick and come in all of these finishes so you can create just the look you want.

screens

Floorstanding screens are a great way to divide your room space or hide away unsightly equipment.

The perfect complement to our new bench systems, our desk and floorstanding screens come in a choice of shapes, sizes and finishes with Grey, Silver or Maple edging as standard. Pinnable or linking options, extra deep brackets and luxury fabrics are all available as additional extras.
