Rectangular desk.

90° asymmetrical desk, left or right handed.

Asymmetrical wave desk, left or right handed.

90° symmetrical desk, left or right handed.

- Cantilever legs desking range in beech or white finish.
- Desktop made from 25 mm thick melamine faced chipboard (MFC) with 2 mm ABS edging.
- Cantilever legs fabricated from 50 x 25 mm rectangular mild steel tube.
- All metal tubes have a wall thickness of 1.5 mm and are finished in an epoxy coated silver finish.

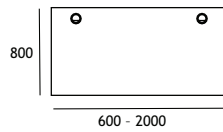

- All legs use metal to metal fixings to fit legs to tops.
- 19 mm MFC modesty panels for strength.
- Modesty panel can be assembled directly under the top or with a large gap to give greater access to the horizontal cable management area (useful to share cable management when desks are back to back).
- 80mm pre-drilled cable ports as illustrated.
